

SYCAMORE SPRINGS PARK

The Wedding Chapel at Sycamore Springs offers a church wedding in a park setting. The beautifully decorated Chapel has stained glass windows, vaulted wooden ceilings, a piano and organ, and padded pews that seat approximately 140. The church is handicap accessible.

A shelter house directly behind the Chapel, which has a stage area and seating for approximately 120, is available at no extra charge.

For your convenience, we offer a dedicated bride and groom dressing area and a video/photography booth with a one-way screen on the balcony. These extras are designed to make your special day as stress-free as possible.
